

DSHEA@25

VIDEO TALKING POINTS

If you were in the industry in 1994, please share with us any insights or anecdotes about the passage of DSHEA.

Did you think it would be as influential as it has been?

If you were not in the industry in 1994, tell us briefly what you were up to that year. (Don't be shy!)

What is the greatest shortcoming of DSHEA?

How do you think it can or should be fixed?

What do you see as the future for the dietary supplement market as governed by DSHEA?

What will the industry look like in 25 more years?

Anything else you want to tell us— about yourself, your work in the industry, or a prediction for the dietary supplement space?
