## 1. Determine your company's dues – ASSOCIATE MEMBERS

**Associate Members**—Any company or person who supplies services, products (other than dietary ingredients) or other support to a company or person eligible for Voting Membership is eligible for Associate Membership. This includes testing laboratories, consultants, law firms, packaging manufacturers, machinery providers, consumer research firms, trade media, advertising agencies and many others. A company who manufactures a dietary supplement, functional food or nutritional ingredient or markets or distributes a dietary supplement, functional food or nutritional ingredient under its own brand qualifies as a Voting Member of CRN and may not join as an Associate Member.

**Dues for Associate Members are based on the size of the firm. Please estimate the number of fulltime equivalent staff positions who work on matters related to dietary supplements and functional foods.**

SIZE OF FIRM	CRN ASSOCIATE MEMBER DUES
1 – 2 fulltime equivalent staff	\$1,750
3 – 5 fulltime equivalent staff	\$2,920
6 – 10 fulltime equivalent staff	\$5,835
More than 10 fulltime equivalent staff	\$8,750

That portion of membership dues attributable to lobbying activity is not tax deductible.*
