

# PRENATAL NUTRITION AND THE ROLE OF DIETARY SUPPLEMENTS

Wednesday, July 23rd 12:00 – 1:30pm  
2325 Rayburn House Office Building

**We invite you to a catered boxed lunch and discussion on prenatal nutrition and the vital role dietary supplements play in healthier pregnancies and healthier babies. Prenatal nutrition expert, Regan Bailey, Ph.D., Professor and Director of the Institute for Connecting Nutrition and Health (ICON-Health) at Florida State University, will present the latest science on how prenatal supplements can help support better nutrition and healthier outcomes for both mothers and babies, which in turn enhances the American healthcare system.**

## PRESENTED BY:

American Herbal Products Association  
Consumer Healthcare Products Association  
Council for Responsible Nutrition  
United Natural Products Alliance

## FEATURING

## HONORARY CO-HOST:

Congressional Dietary Supplement Caucus

Co-Chairs:

- The Honorable Mike Kennedy
- The Honorable Marc Veasey

**RSVP TO EMILY LEWANTOWICZ**
